Uniforms/Misc:

Jackets: Jackets for whole team approved at August meeting. Embroidery costs will be explored through Collins Sports and Donnie will contact Hockey Bob and Brady's. Jeff brought in jacket sample from Turfer (\$50.00 for shell and \$75.00 with fleece). Sample of Warrior jacket available. Need turn around time for each. Keith is also looking for pants for the coaches. No decision made and Keith would work with board to make a final decision. Follow-up via email no later than 2 weeks.

Shells: Black shells. Keith concerned about logo on shells and would like to explore all options: Donnie to check with Bob, Matt with Warrior and Jeff with Turfer. Coach has sizing information. Keith will also contact Jack Molloy re: uniforms. Currently Boosters pay for everything except refs and buses.

Socks: have been ordered.

Alumni Game: Scheduled for Sat 11/29/14 @ 6pm. More to come.

Tournaments

Doucette tournament: Cindy is meeting with Doug Soule. Some fundraising ideas were: raffles, silent auction and program book. Keith doesn't recommend book as N-W uses it as a main source of funding and would be double dipping. Need to set fee for door. 3 game guarantee, Round robin format, 2 divisions of 3 teams each. Meeting date to be set.

Middle School Team: Jeff has set up a preliminary meeting for Monday Sept 15. for people helping to build the program. Need to get flyer into the schools. Jeff will get something together.

Preseason tournament: Keith was contacted to participate in a tournament with St. Doms, Biddeford and TA on Nov 29th. Unfortunately that is the date of our first Alumni game. Keith will get back to them once he has more details.

Players: Brandon Watson will be playing. Ray Horne was never contacted and is presently attending Noble HS. Judi will contact DK

Calendar Raffle: Tabled to next meeting.

Open House at Rochester: 9/20 10 - 11 am then open skate 11-12pm.

Hudl: WHS Boosters has purchased the program for use by ALL athletic programs.

Motion to adjourn by Donnie, 2nd by Judi, unanimous.
